

# **Bureau van Dijk**

## **Evaluation License Agreement**

PLEASE READ CAREFULLY THIS EVALUATION LICENSE AGREEMENT AND THE SCHEDULE ("AGREEMENT"). YOUR ACCESS AND USE OF THE PRODUCTS (AS DEFINED HEREIN) IS EXPRESSLY CONDITIONED UPON YOUR ACCEPTANCE OF THIS AGREEMENT. BY INDICATING YOUR ACCEPTANCE OF THIS AGREEMENT AND BY ACCESSING AND USING THE PRODUCTS, YOU AND THE ENTITY ON WHOSE BEHALF YOU ARE ACCESSING THE PRODUCTS (COLLECTIVELY, "LICENSEE " OR "CLIENT) AGREE TO THE FOLLOWING TERMS AND CONDITIONS:

Evaluation. Bureau Van Dijk Editions Electroniques SA, a Swiss limited company ("BVD" or "Moody's), is providing Licensee with access to one or more web-based services and/or data products (the "Products") for an evaluation period which has been separately notified to Licensee (the "Evaluation Period"). In this Agreement, "Products" shall also include any software programs; data; models; methodologies; reports or other information or output derived or obtained from the Products; manuals, white papers and other documentation provided by BVD or extracted by Licensee in connection with the Products. Where the Evaluation involves Processing (as defined in the Schedule ) of Personal Information (as defined in the Schedule ) then the Terms of the Schedule to this Agreement shall also apply.

License. For the duration of the Evaluation Period only, BVD grants Licensee a limited, non-exclusive, non-sublicensable, non-transferable license to access and use the Products for evaluation purposes only. Licensee shall not make any commercial use of the Products nor deploy the Products in a production environment. For the avoidance of doubt, the provision of Products to Licensee under this Agreement is a license rather than an actual sale or transfer of rights in the Products. All rights not expressly granted to Licensee are reserved by BVD and its licensors.

IDs. BVD may provide Licensee with a number of login IDs and passwords to permit access to the Products. Licensee shall safeguard the IDs and passwords and shall be responsible for all activity carried out under such accounts.

Ownership and Restrictions. All rights, including patent, copyright and trade secret and other intellectual property rights, in the Products shall remain in BVD and its third party licensors ("Licensors"). Except as expressly permitted by applicable law, Licensee shall not reverse engineer or decompile the Products, compile the source code or data, or modify or enhance the Products. Licensee shall not allow any third parties, including its customers, borrowers, consultants, independent contractors, or agents, to access or use the Products. Licensee shall be responsible for any unauthorized disclosure by its employees, agents or contractors.

NO WARRANTY. THE PRODUCTS ARE PROVIDED ON AN "AS IS" BASIS WITHOUT ANY WARRANTY. BVD AND LICENSORS MAKE NO WARRANTIES REGARDING THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT. BVD AND LICENSORS DO NOT GUARANTEE THE ACCURACY, ADEQUACY, OR

COMPLETENESS OF ANY DATA OR INFORMATION DISPLAYED VIA THE PRODUCTS.

EXCLUSION OF DAMAGES. IN NO EVENT WILL BVD OR LICENSORS BE LIABLE TO LICENSEE OR ANY OTHER PARTY FOR DAMAGES OF ANY KIND ARISING FROM OR RELATED TO THIS AGREEMENT OR THE ACCESS AND USE OF THE PRODUCTS, WHETHER RESULTING FROM TORT (INCLUDING NEGLIGENCE), BREACH OF CONTRACT OR ANY OTHER FORM OF ACTION, INCLUDING BUT NOT LIMITED TO DIRECT, INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE AND CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS) OF ANY KIND, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Term and Termination. The license granted herein shall terminate at the end of the Evaluation Period, or upon such earlier date as BVD may determine in its sole discretion by terminating Licensee's access to the Products. Upon such termination Licensee shall immediately discontinue all use of, or reference to, the Products, and in respect of data, irrespective of the format in which such data was downloaded in, and/or converted into, if any. Licensee shall fully erase all of the Products (including but not limited to data, software and documentation files) from its computers and electronic and physical storage systems, including archives and off-site storage except to the extent the data from the Products is contained in automated backups that are not generally accessible to users of the Products (in any event any such retained data shall not be referenced or used by Licensee following termination of the license). Upon BVD's request, Licensee shall return any manuals, media, software, data and documentation files relating to the Products. All information learned from BVD is confidential, and Licensee shall not disclose this information to any other person without BVD's prior written consent unless such information (i) becomes part of the public domain through no breach by Licensee ; (ii) is independently developed by Licensee without reference to the Products or BVD confidential information; or (iii) is rightfully disclosed by a third party to Licensee.

Sanctions Compliance. Licensee warrants that it is not (i) on the list of Specially Designated Nationals and Blocked Persons maintained by the U.S. Office of Foreign Assets Control ("SDN List") or the Consolidated List of UN, EU, and UK Financial Sanctions maintained by Her Majesty's Treasury, or owned or controlled, directly or indirectly, by such person(s); or (ii) subject to comprehensive geographic sanctions imposed by the U.S. Government for any reason, including but not limited to being organized or headquartered in or a governmental entity of a country or region subject to such sanctions (currently Cuba, Iran, Syria, Sudan, and Crimea); or (iii) located in any other country to which the export or re-export of U.S.-origin goods or technologies is generally embargoed (currently North Korea). Additionally, Licensee warrants that it does not intend to and will not supply the Products to, or use them for the benefit of, any of the foregoing (hereinafter "Prohibited Entities"). Licensee agrees that it will notify BVD if these circumstances change. For the purposes of this provision, "person" means any legal or natural person; (i) "owned" means an interest of 50 percent held by (a) one or more persons subject to blocking (i.e., asset freeze sanctions) based on SDN List designation or (b) a person subject to asset freeze sanctions under UN, EU, or UK sanctions; and (iii) "control" means the right or ability to dictate the decisions, actions, and/or policies of an entity or its management. If Licensee breaches this clause, or if BVD determines that it is prohibited under any applicable law or regulation from providing access to Products under this Agreement, in addition to any other rights or remedies BVD may have, BVD may immediately terminate the Agreement and Licensee's access to the Products.

General. This Agreement constitutes the entire agreement between BVD and Licensee in respect of the Products evaluated by Licensee in connection with the license granted hereunder and supersedes all prior agreements and understandings, oral and written, by and between BVD and Licensee with respect to the evaluation of such Products. For the avoidance of doubt, this Agreement does not supersede prior written agreements between BVD and Licensee for any Products, unless in connection with a prior evaluation, and such agreements remain in full force and effect. No amendment or modification shall be binding unless in writing and signed by a duly authorized representative of both parties.
