FEATURES AND BENEFITS

ONE SOURCE

48 journals, 30 publishers, and 165,000 + articles on one platform, providing all the resources you need in one place.

BREADTH OF CONTENT

The GSW Millennium Collection (2000 forward) contains respected, peer-reviewed journals across the Earth sciences.

LIBRARY SPECIFIC FEATURES

Section 508 and W3C compliant; OpenURL compliant; COUNTER and SUSHI usage reporting; Cross Ref™ DOI.

FULLY RESPONSIVE WEBSITE

Easy reading on any device.

COMMUNITY SUPPORT

As a 501(c)(3), GSW works in collaboration with its partners in the geosciences to advance and support the interests and sustainability of non-profit societies and libraries.

CROSS SEARCHABLE

Fully integrated with GeoRef to provide the most complete and authoritative abstracting & indexing database in geoscience.

GROWING ARCHIVE

Freely available to subscribers, the GSW Archive Collection (1905-1999) continues to grow and provides lasting value. Now with expanded backfiles from *AAPG Bulletin* and *American Mineralogist*.

CUTTING EDGE TOOLS

The latest e-publishing techniques, partnerships, and technologies makes search easier.

FLEXIBLE SUBSCRIPTION OPTIONS

Save money with unlimited access or article pay-per-view.
